# WHY TUMBLE BROOK KIDS CAMPS?

Tumble Brook's kids camp program has a rich local history that dates back to when the club first was incorporated in 1924. Today, the annual tradition continues with our growing membership.

Our camps bring together an array of personal enrichment activities and outdoor sports. Kids are able to build new skills while sharpening old ones. During camp children will participate in swim, golf, tennis, and pickle ball. Due to high demand, enrollment is limited. Members and guests are encouraged to enroll early.
